

Quick Start Guide

Simplify everyday life with just the touch of a finger.

1

Download the app.

Get the free Nexia mobile app from Google Play or the App Store and install on your smart phone or tablet.

2

Sign up for an account.

It's easy. Register for your free account through the mobile app or at mynexiahome.com.

3

Connect devices.

Enjoy your new flexibility to automate, monitor, or control comfort settings from anywhere! You can enable smart comfort devices with Nexia. Why not start with a connected thermostat and wireless room sensors?

4

Get peace of mind.

Go to "Home Settings" in the mobile app to enable your HVAC dealer to remotely monitor your system's condition.

▶ Look who's talking.

Did you know that Nexia easily integrates with Alexa and Google Home for voice control?

More than tech support.

Nexia provides ideas, information, and community to help you get the most from your integrated smart comfort system.
