

LINE SET PORTFOLIO CHANGES:

IMPROVING AVAILABILITY & ENHANCING OUR OFFERING

BUILT TO A HIGHER STANDARD[®]
American Standard[®]
 HEATING & AIR CONDITIONING

OVERVIEW

» AMERICAN STANDARD QUALITY

At American Standard, we are committed to providing quality products that stand the test of time. In order to ensure customer satisfaction, we regularly monitor quality concerns to facilitate the delivery of our brand promise.

» PORTFOLIO FEATURES

- ▶ Consistent in-stock availability on top industry SKUs
- ▶ Expanded line set selection to include more insulation sizes and insulation types to better support installing preferences
- ▶ The same manufacturing standards, quality, and reliability we have always delivered within our line set portfolio

» ACT NOW

FIRST ORDER DATE: March 2020

FIRST SHIP: Subject to existing inventory depletion

We recognize dependable availability on line sets is critical to your success in peak season. To better support your requirements, we've established strategic local stock on core SKUs supporting our split-system and ductless equipment installing needs.

Note: Additional custom sizes and lengths available for order through Trane Supply
